Properties	use required type unsignedShort
------------	------------------------------------

Element event / link

Type	restriction of xs:string
Properties	Content Simple

Element event / name

Type	restriction of xs:string
Properties	Content Simple

Element event / description

Type	restriction of xs:string
Properties	Content Simple

Element event/ picture_big

Type	restriction of xs:string
Properties	Content Simple

Element events / event / dates / date

Properties	Content Complex, maxOccurs unbounded		
Children	venue, venue_id, hall, hall_id, venue_street, venue_zip, city, country, date, time, program, categories		
Used by	element events / event / dates		
Attributes	name id	type unsignedInt	use required

Attribute date / @Id

Properties	use required type unsignedInt
------------	----------------------------------

Element date / venue

Type	restriction of xs:string
Properties	Content Simple

Element date / venue_id

Type	restriction of xs:unsignedByte
Properties	Content Simple

Element date / hall

Type	restriction of xs:string
Properties	Content Simple

Element date / hall_id

Type	restriction of xs:unsignedByte
Properties	Content Simple

Element date / venue_street

Type	restriction of xs:string
Properties	Content Simple

Element date / venue_zip

Type	restriction of xs:string
Properties	Content Simple

Element date / country

Type	restriction of xs:string
Properties	Content Simple

Element date / city

Type	restriction of xs:string
Properties	Content Simple

Element date / date

Type	restriction of xs:date
Properties	Content Simple

Element date / time

Type	restriction of xs:time
Properties	Content Simple

Element events / event / dates / date / program /item

Properties	Content Complex, minOccurs 0, maxOccurs unbounded
Children	composer, work
Used by	element events / event / dates / date / program

Element item / composer

Type	restriction of xs:string
Properties	Content Simple

Element item / work

Type	restriction of xs:string
Properties	Content Simple

Element events / event / dates / date / categories /category

Properties	Content Complex, maxOccurs unbounded		
Children	cat_name, price, currency, link		
Used by	element events / event / dates / date / categories		
Attributes	name id	type unsignedInt	use required

Attribute category / @Id

Properties	use required type unsignedShort
------------	------------------------------------

Element category / cat_name

Type	restriction of xs:string
Properties	Content Simple

Element category / cat_price

Type	restriction of xs:decimal
Properties	Content Simple

Element category / currency

Type	restriction of xs:string
Properties	Content Simple

Element category / link

Type	restriction of xs:string
Properties	Content Simple
